

PERFORMANCE

- Self powered
- Air resistance system
- 10 resistance levels
- High watt output

CONSOLE

- 4" (10.16 cm) FSTN Matrix display
- Time, Distance, Speed, Strokes, Calories, Watt
- 8 training display modes

TRAINING MODES

- Multiple training modes
- Performance tracking
- App connectivity via Kinomap

COMFORT & ERGONOMICS

- Lightweight strapless handles
- Slip-resistant wooden platform
- Smooth & natural ski motion
- Quiet, low vibration

DRIVE & BUILD

- Wire-driven system
- Fan wheel resistance
- Strong steel frame
- Transport wheels for mobility

CAPACITY & DIMENSION

- Max user Weight: 180 kg.
- Machine Weight: 49 kg.
- Product Dim.: 130x60x214 cm.
